Performance Opp for All! Annual “Broadway Bound” Recital

For over 30 years, All About Dance! By Kristen has been celebrated for their extremely professional and highly entertaining "original" end of the year recital performances! It has been seen by 'sold out' crowds of nearly 3,000 performance goers in recent years. This brings the dancers much enjoyment and gratification, along with a sense of pride and accomplishment while giving them a taste of the "real professional" world. With the culmination of this yearly event, the participants have truly experienced the joy and transformational magic that is dance! We will automatically include your dancer in our recital performance unless we hear from you with your hand-written “Not in Show” note submitted to our office by November 1st. Most classes of similar levels will be combined for recital and will likely attend alternate and/or additional classes at no extra expense! Recital Handbooks will be emailed by February 1st to all AADbK dance families participating in the recital. Feel free to attend our parent meeting on Tuesday, January 9th at 7:00pm to find out answers to any recital questions!
